Part B — Reading (1 text, 5 questions, 15 points)

Read the text and choose A, B, C, or D.

Studying Abroad

More and more students choose to study abroad for one or two semesters. Living in another country helps them improve their language skills and become more independent. However, studying abroad can also be challenging. Students may feel homesick, especially during the first weeks. They must adapt to a new culture, different food, and unfamiliar academic systems.

Universities often offer support services for international students, including language courses and social events. Many students say that despite the difficulties, the experience is valuable for their future careers. Employers often look for candidates who have international experience and can communicate in English.

26. What is the main idea of the text?

• A) All students who study abroad feel homesick.

27. According to the text, students abroad may feel _____ at first.

• A) angry

28. Universities help international students by _____.

• A) paying for their tuition

29. The word "adapt" in paragraph 1 is closest in meaning to _____.

• A) refuse

30. What do many employers look for?

• A) Can communicate in English

Scoring guide (for teacher)

Score	Approx. level	Next step
0-15	A1-A2 low	Intensive Tier 1; slow reading
16-24	A2	Follow 35-day plan as written
25-32	A2+ / B1 low	Add Tier 2 earlier; higher mock targets
33-40	B1	Focus on format + speed; Tier 2-3
