

EVI-Like Test 2 — Answer Key

Task 1

Text	Answer	Clue concept
1	H	"textile industry...92 million tonnes of waste...fast fa
2	D	"quantify subjective wellbeing...neuroimaging...pred
3	C	"museums, galleries...uploaded images, 3D scans..."
4	F	"sleeping fewer than six hours...lower scores in work
5	G	"subscription services...consumers cannot determin
6	A	"cities above two million...depression and anxiety..."

Extra (not used): B, E

Task 2

Q	Answer	Key phrase in text
7	C	"viewed with suspicion...children developed each on
8	B	"exercises the brain's executive control system"
9	C	"show delayed onset of dementia symptoms compar
10	C	"cognitive reserve: the brain's accumulated capacity
11	B	"publication bias...may have skewed the evidence b

Task 3

Gap	Answer	Explanation
(12)	A — across	"expand across national borders" — fixed collocation
(13)	A — arise	Relative clause + present simple: "misunderstanding
(14)	B — such as	Introducing examples: "such as East Asia and the Mi
(15)	A — infer	"infer meaning from what is not said" — correct acad
(16)	A — such as	Introducing examples again: "such as Northern Euro
(17)	B — and	"Instructions are expected to be clear, and ambiguity
(18)	A — who delivers	Relative clause defining the manager type
(19)	B — as	"interprets the suggestion as a mild preference" — f
(20)	A — is considered	Passive: "a comment that is considered routine"
(21)	A — significantly	Adverb modifying "fewer": "significantly fewer break
(22)	A — which	Non-defining relative pronoun for things: "scenarios
(23)	B — in	"within a safe environment" → also A (within) accept
(24)	A — willingness	Noun: "a willingness to examine"
(25)	A — challenges	Plural noun: "introduced new challenges into"
(26)	A — strip	Third person plural, base form: "all strip non-verbal c
(27)	B — lack	"the lack of these cues" — correct academic noun
(28)	B — in	"communicating in their first language" — fixed collo
(29)	C — alleviate	"alleviate the burden" — academic/formal register; p
(30)	A — abandoning	"not about abandoning" — gerund after preposition

Note on gap (23): Both A — within and B — in are correct. "Within a safe environment" is slightly more formal and preferred in B2 academic texts, but "in a safe environment" is also fully acceptable.

Score Conversion (CEI approximate)

Raw /30	CEI rating estimate
27-30	~155-160
22-26	~145-154
16-21	~135-144
10-15	~120-134
< 10	< 120

Teacher Notes — B1-B2 Error Patterns

- Gap (15): "infer" (listener draws a conclusion) vs "imply" (speaker hints at something) — classic B2 vocabulary distinction

- Gap ()
use "del
