

Gapped Text — Basics (5 gaps, Week 1)

Format: Choose A, B, C, or D for each gap.

Strategy

Text — Student Life

Many students find that the first year of master's studies is (1)_____ than they expected. They must read long academic texts in English and write summaries every week. At first, this can feel overwhelming, but regular practice helps.

Successful learners often create a fixed schedule. They (2)_____ aside two hours each evening for reading and note-taking. They also use online dictionaries, but they try to guess meaning from context (3)_____ looking up every unknown word.

Group work is another important skill. Students who (4)_____ part in study groups usually understand difficult topics faster. Finally, it is wise to ask professors for feedback early, (5)_____ than waiting until the final exam.

Gap	A	B	C	D
(1)	hard	harder	hardest	more hard
(2)	set	sets	setting	have set
(3)	before	after	instead of	because
(4)	take	takes	took	taking
(5)	rather	more	less	few

Text 2 — Travel (5 gaps)

Last summer, Maria decided to (1)_____ a trip to Scotland. She had never travelled alone before, so she felt quite nervous. However, she found a cheap hostel online and booked a ticket.

The journey (2)_____ longer than she planned because of a train delay. When she finally arrived, the weather was cold and rainy, but the landscape was beautiful. Maria spent three days hiking and visiting small museums.

She (3)_____ many photos and wrote a blog about her experience. Her friends said they would like to (4)_____ her example next year. Maria realised that travelling alone had made her more confident and independent. She is already saving money for her next adventure, (5)_____ she hopes will be in Ireland.

Gap	A	B	C	D
(1)	do	make	take	have
(2)	takes	took	has taken	was taking
(3)	made	did	took	got
(4)	follow	agree	go	listen
(5)	who	which	where	whose
