

Mini-test — Week 1 (KPI Day 7)

Total: 11 questions | Time: 20 minutes | No dictionary

Covers: Task 1 (6) + Task 2 (5)

Task 1 — Matching

Match headings A-H to texts 1-6. Two are extra.

A) Free online courses for beginners

B) Recy

1. The clinic offers blood tests and blood pressure checks every Tuesday. No appointment needed for basic screening.
 2. Turn off notifications and keep phones out of the bedroom. Doctors say this improves sleep quality.
 3. Duolingo and similar apps let you practise vocabulary for ten minutes a day. Premium versions remove advertisements.
 4. Sort plastic, paper, and glass into separate bins. The city collects recyclables every Wednesday morning.
 5. The Riverside Stage hosts jazz and folk bands from June to August. Bring a blanket and enjoy the open air.
 6. The programme includes weekly long runs and nutrition workshops. Registration closes on 15 April.
-

Task 2 — Multiple Choice

Text: Public Transport

City officials plan to introduce new electric buses next year. The vehicles produce less noise and pollution than diesel models. Tickets will cost the same, but passengers may need a contactless card instead of cash. Critics argue that bus lanes should be expanded first; supporters say cleaner air is worth the investment.

7. What is the text mainly about?

• A) Bui

8. Electric buses are described as _____ than diesel ones.

• A) loud

9. Passengers might need to _____.

• A) pay

10. Critics think the city should first _____.

• A) exp

11. The word «supporters» refers to people who _____.

• A) opp

Scoring

Score	Action
5-7 / 11	On track — continue Week 2 plan
3-4 / 11	Extra Task 1-2 drills; slow down grammar
0-2 / 11	Consider extending Week 1 by 2-3 days
