

Weak Spots Workshop — Days 22-23

Instructions for teacher: Customise drills based on student's Error Log and Mock #1 analysis.

Step 1 — Error audit (teacher, 15 min before lesson)

From Error Log + Mock #1, count errors by category:

Category	Count	Priority
tense		
article		
preposition		
phrasal verb		
collocation		
word formation		
relative clause		
conditional		
passive		
modal		
reading trap		
paraphrase miss		
time pressure		

Top 3 priorities for this student:

1. _____

Step 2 — Drill bank (pick by priority)

A. Articles (if weak)

Fill in a / an / the / —

1. She is _____ university student studying _____ economics.

2. _____

Key: 1-a/— 2-The 3—/the 4-a/the

B. Phrasal verbs (if weak)

1. I need to _____ (find out) the registration deadline.

2. She _____

Key: find out; gave up; are looking forward to; ran out

C. Reading paraphrase (if weak)

Mini text: «The policy reduced traffic in the city centre.»

Which option matches?

• A) More

Answer: B (paraphrase drill — same word «traffic» NOT in correct answer as identical phrase)

D. Present Perfect vs Past Simple (if weak)

See ../week-02/grammar-present-perfect.md — repeat Drill 1-2

E. Word formation (if weak)

Verb	Noun	Adjective	Adverb
create	creation	creative	creatively
decide	decision	decisive	decisively
communicate	communication	communicative	—

Gap: Her _____ (communicate) skills improved. → communication

Step 3 — Targeted mock sections

Re-do only question types where student scored <50%:

• If Task

Step 4 — Student reflection (5 min)

Student writes:

• «My b

Add to Error Log as meta-entry.

Day 23
